

Emerging Institution Shaping Karnataka's Future Medical Leaders – FAME

In Karnataka's rapidly evolving healthcare education landscape, Farookh Academy of Medical Education (FAME) is steadily positioning itself as an emerging institution committed to shaping the state's future medical leaders. Established in 2024, FAME was founded with a forward-looking vision to elevate medical education standards while strengthening healthcare accessibility and community well-being.

Nestled in the serene surroundings along the Mysore-Madikeri Road near Ilavala in Hunsur Taluk, Mysore District, FAME offers an ideal academic environment that fosters focused learning and holistic development. Operated by Farookh Academy of Medical Education Private Limited, registered in Bangalore, the institution stands on pillars of academic integrity, ethical governance, and sustainable growth.

At the heart of FAME's academic offerings is its MBBS program, a comprehensive 5.5-year undergraduate course that includes a compulsory one-year internship, structured in accordance with National Medical Commission (NMC) guidelines. The curriculum seamlessly integrates pre-clinical, para-clinical, and clinical disciplines, ensuring students gain strong theoretical foundations along with hands-on hospital training. Departments such as Anatomy, Physiology, Biochemistry, Pathology, Pharmacology, General Medicine, Surgery, Paediatrics, Orthopaedics, Obstetrics & Gynaecology, Psychiatry, Radiology, and Community Medicine collectively provide students with a broad and in-depth understanding of medical science and patient care.

FAME is currently expanding its infrastructure to establish a state-of-the-art hospital and medical college complex, reflecting its commitment to clinical care and advanced research. Modern laboratories, simulation centers, skill

development labs, and research facilities are being developed to create an immersive learning ecosystem that promotes innovation, interdisciplinary collaboration, and evidence-based medical practice.

Under the visionary leadership of Chairman & Managing Director Mr. Bava Mohammed Farookh, "An entrepreneur dedicated to advancing clean and renewable green energy solutions – FIZA Group" whose entrepreneurial journey spans over three decades along with significant public service experience, FAME represents a purposeful initiative to uplift society through healthcare education. Director Mrs. Fouzia Farookh further reinforces this mission by nurturing a student-centered academic culture focused on competence, compassion, ethical responsibility, and leadership development.

Beyond academics, FAME emphasizes community health outreach pro-

grams, awareness initiatives, and preventive healthcare engagement to ensure students understand real-world healthcare challenges. By integrating research, service, and structured clinical exposure, the institution is cultivating doctors who are not only clinically proficient but also socially accountable.

With its strong emphasis on ethics, research, innovation, and community impact, FAME is more than just a medical institution — it is an emerging academic force shaping Karnataka's future doctors, empowering them to serve with skill, integrity, empathy, and global perspective.
